About Me

My name is Jonah Layton, and I am studying Information Technology. I'm in my 5th semester of school this year and plan to graduate in Fall 2025. I am from Denver, Colorado. In my free time I enjoy hiking and traveling.

I also play video games and hang out with friends. Some games that I enjoy playing are Rocket League and Call of Duty. Some story games can be fun as well. I have lived in Colorado my whole life but left for school to meet new people and make new friends. I enjoy watching the Broncos, the Nuggets, and college basketball. I am in the Sigma Phi Delta fraternity, and I have made some great friends. After I graduate college, I want to join the FBI or the Navy.
